

To laugh is to live! Is a theatrical family escapade very few can resist. A quality family theater performance that truly plays to the whole family. It revolves around a lovable eccentric performer and his whimsical surroundings. And his reaction to each and every object that comes into his way, many times with the help of his "partners in play" - the audience.

For free tickets, please contact respective organisations for more information.

Varietal Comedy in your Community
is a part of

The inaugural festival aims to bring good quality performances to the community through non-ticketed events.

Featuring *Kenny Ahern*
